

Invitation to attend or present at the
26th Annual WAIER Research Forum

EDUCATIONAL POSSIBILITIES

Register to attend or present at www.waier.org.au

Abstracts due Thursday 28th July 2011*

*Late submission may be considered if time slots are available in the program

KEYNOTE LECTURE AND FEATURE PRESENTATION

Possibilities of authentic e-learning

by Prof Jan Herrington

What are the educational possibilities of ICT and authentic learning? Jan Herrington will present a thought-provoking lecture on the educational possibilities of recent developments in ICT that will be useful for teacher educators, those working in schools, and those in fields that use ICT for student learning.

Publishing your research in a journal

by Dr Clare McBeath & Dr Roger Atkinson

Dr Clare McBeath, editor of Issues in Educational Research for 11 years, and Dr Roger Atkinson, production editor for Australasian Journal of Educational Technology since 1997, have plenty to say about getting your research published. Receive first-hand insights at this presentation, which includes questions from the audience.

| VENUE | COST | 1:00 | Keynote |
|--|---|------|--|
| Tannock Hall of Education University of Notre Dame Cliff Street, West End of Fremantle Saturday 13th August 1.00pm to 5.30pm | Standard \$60 Concession \$50 Early bird \$10 discount before July 10 | 1:45 | Paper presentations |
| | | 4:45 | Presentation of WAIER Early Career Award, WAIER Post-Graduate Award and WAIER Fellow, along with a sundowner |

The WAIER Research Forum presents research that:

- 1 Asks thought-provoking questions about learning, education and education research
- 2 Provides insight into ongoing and completed research relevant to current educational issues
- 3 Speculates on the future of education and education research in diverse research fields

WAIER invites Forum registrations from individuals and groups wishing to attend, make a presentation, or conduct a symposia or panel discussion on topics and research related to education or the Forum theme, **Educational Possibilities**

Please note that full written papers are optional. Full written papers may be submitted and considered for publication in the Issues in Educational Research Journal. For previous issues see www.iier.org.au
